MISSION AUSTRALIA YOUTH SURVEY 2020

The Youth Survey is now open!

We would love your support and participation in the 2020 Youth Survey.

What? The Youth Survey is Australia's largest annual survey of young people. The survey seeks the views of young people and asks their perspective on a range of important topics. Key focus areas for 2020 include:

- Mental health and wellbeing;
- Help seeking;
- Transition to employment;
- Discrimination; and
- Financial concerns and exclusion.

The online survey is open to young people between the **ages of 15 and 19**, and can be completed on a computer, laptop, tablet or mobile phone.

When? Open from **31st March – 14th August**.

Why? The Youth Survey is a key evidence and policy platform used by governments, schools and community organisations around the country.

But that's not all!

Organisations or schools receiving more than 100 responses* are eligible to receive a **complimentary, tailored report** based on your local/school data.

These reports detail key findings specific to your organisation/school and compare them against state-level results.

*unless an alternative amount is agreed upon prior to data collection.

How? Visit www.missionaustralia.com.au/youthsurvey and click on 'toolkit' to download all the relevant information about how you can participate in the survey.

You can also help us spread the word by promoting the survey through your networks or social media.
